• Passed GCE A/L Exam:

Combined Mathematics - S
Physics - S
ICT- C
English- A

• Member of senior ICT society of Musaeus college, Colombo 7

MINESI VIDANAARACHCHI

UNDERGRADUATE

PROFILE

I am a fourth-year undergraduate student pursuing a B.Sc. in Information Technology with strong QA fundamentals and hands-on experience in an Agile environment. I have experience in manual testing, test case design, defect tracking, and regression testing, along with practical exposure to Selenium automation and CI/CD processes. I am detail-oriented, eager to learn, and motivated to grow as a Quality Engineer.

WORK EXPERIENCE

WILEY GLOBAL PVT.LTD

2025 - 2026

Intern - Quality Engineering

- Performed functional, regression, and exploratory manual testing in Agile sprints; designed and executed test cases and ensured coverage using test matrices.
- Logged, tracked, and verified defects using JIRA and managed test cases and regression suites in TestRail.
- Gained hands-on automation experience using Selenium with Java for validation and regression testing; supported CI/CD test execution using Jenkins.

PROJECTS

- Web application for an online movie and tv series browsing system (Group)
Languages used: html/css/javascript/java/SQL/MongoDB/NodeJS
- Web application for an automated parking system (Group)
Languages used: html/css/javascript/PHP /SQL
- Web application for an online institute management system (Group)
Languages used: html/css/javascript/java (React)
- Interface designing for a self care app (Individual)
Using Figma
- Math quiz game app (Individual)
Languages used: kotlin/java
- Fully functional Task management mobile application (Individual)
Languages used: kotlin/java
- High fidelity prototypes for the Lanka Hospitals website (Group)
Using Figma
- Web application for a Pharmacy management system (Group)
Languages used: html/css/Tailwind CSS/js/java/Express.js/React.js/MongoDB
- Skill-Sharing & Learning Platform - Cooking Module(CookSphere) (Group)
Languages used: html/css/Tailwind CSS/js/java/Spring -boot

SKILLS

- html/css/javascript
(React, node.js)
- PHP/SQL
- c/c++/java
- Kotlin/android studio
- Statistics/R programming
- Figma/Ui designing
- Microsoft Office 365
- Power BI
- Python
- Test Automation
(Playwright)
- Spring-boot
- Selenium
- JIRA
- TestRail
- Jenkins
- Confluence
- GitHub/Git

OTHER QUALIFICATIONS AND CERTIFICATES

- Google data analytics professional certificate - cousera
- Introduction to Playwright course by Test Automation University
- Advanced Playwright' course by Test Automation University
- Web Element Locator Strategies course by Test Automation University

LANGUAGE SKILLS

- Completed with Honors certificate up to Grade 06 of Spoken English exams at International Institute of Music Speech & Drama (IIMSD). (2012-2018)
- Merit certificate for Business English Preliminary at Cambridge Assessment English. (2019)
- Completed Cambridge Senior Young Learners English Language Course at British Council with full marks for speaking in each term. (2014-2015)
